#### 4. Planning Applications

##### 4.1 23/03352 – 12, Oaks Dene, Walderslade

T01 Oak - Remove Tree. Neighbouring properties are raising concerns about the tree and its destructive potential. Cracking noted to hard surfaced areas to rear of 12 Oaks Dene. Standing in W6 of Tree Preservation Order.

It was **Resolved** to raise **Concerns** - This is a mature Oak Tree, the applicant suggests that roots are causing damage to the hard surfaces. The tree was present before the houses were built. So, foundation specifications should be able to withstand tree roots. If the tree is felled the roots would remain, as difficult to remove. The cracks will also remain. The Borough Councils Tree Officer must visit this residence to assess the need to remove this very well-established Oak Tree.

#### **4.2 22/01403/FL - Land East Of 136 - 146, Common Road, Blue Bell Hill**
