

AYLESFORD PARISH COUNCIL

FORSTAL ROAD RECREATION GROUND PLAY AREA RESURFACING

Members will recall that the Council has previously sought quotes for the resurfacing of the whole Forstal Road Recreation Ground Play Area. The prices received were too high and the Chairman of the Council reviewed the scheme and it was felt that the scheme should be limited to the areas under the existing equipment. The attached specification was submitted to all of the contractors who had previously been asked to quote and the result of that exercise is the quotes set out below.

F.L. Beadle and Son – £19488

Hags UK – No quote received

Isle Landscapers Ltd – No quote

Kompan – £22,906.04

M&M Developers LLP – £16722

Playspaces – No quote received

Wicksteed - £24062.28
